BUILDING CAREERS AND COMMUNITY

Donate or Recycle your Electronics to Help Others!

Community Shredding available at this event!

Our next donation day:

Saturday, November 14, 2026

10:00 am – 1:00 pm

Fairlington Presbyterian Church

3846 King St, Alexandria, VA 22302

Closing the Digital Divide!

Computer CORE helps adults access the digital skills we all need to learn, work, and thrive.

To provide computers to adult learners, we accept laptop donations from individuals and businesses. Each device that we can save and re-distribute is wiped, loaded with a new operating system, and given to an adult learner in need - for them to keep. Intact hard drives and the correct charging cords are appreciated!

If you leave your contact information, we send a thank you letter/donation receipt.

Bring your gently used Laptops

Shredding with VRC

WE REFURBISH AND RE-USE:

- PC & MAC Laptops
- Mice
- Cords & Cables

WE RECYCLE:

Items we can't use are responsibly e-cycled.

- Desk tops
- All-in-Ones
- Printers/Scanners

If needed, to arrange another donation time, please contact Killian at (703) 606-8815 or killian@computercore.org

Computer CORE is a 27-year-old 501(c) 3 nonprofit. #54-1968428

Thank you!

Your donation helps create new opportunities and brighter futures for adults in our community.
